

Aegle TCM Tui Na 推拿 Treatment

60 mins Trial Session

\$70 VALUE

Tui Na 推拿 is a form of massage akin to acupuncture, from which Shiatsu is evolved. Tendon massage is a series of massage technique applied over the meridians and acupoints to stimulate blood circulation, remove blood stasis, break up scar tissues and relax the muscles around the tendon. From the TCM perspective, once the meridians are cleared up, the blood and qi will flow smoothly and the viscera will function effectively. These in turn will promote speedy healings.
