

## INSOMNIA TALK 2

*“How TCM can help in treating sleep disorders/insomnia”*

**Saturday, 29<sup>th</sup> September 2018 12.30pm - 2.30pm**

Due to overwhelming response we will be holding another session. For those who missed our talk, we are pleased to inform that another session will be held on **29 Sep 2018** from **12.30pm to 2.30pm**.

Our head physician, Sharyl Thung, will be covering the TCM pathology and the treatment options for Insomnia and/or sleeping disorders. The session will include a short presentation followed by a Q&A. Attendees will also be invited to try out a session of acupuncture to demonstrate how TCM can be administered to help sufferers of insomnia.

Come learn how Aegle TCM Clinique can tailor a Sleep Treatment program to help you

Limited seats! call us at **6779-4266** now to reserve a seat!

Light refreshments will be served!
